

Recommended by a Norwegian cable tray company

Article Overview

Nordic Wire Tray and Øglænd System are two of the leading Norwegian cable tray brands, offering high-quality, customizable solutions for industrial, commercial, and offshore applications.

Nordic Wire Tray (NWT)

Nordic Wire Tray specializes in wire trays, data racks, and complete cable management systems. Their products are designed for flexibility and adaptability, allowing customization for unique project requirements. NWT offers a wide range of surface treatments, stainless steel options, and long support spacing for cost-effective and easy installation. Their systems are particularly suitable for industrial, datacenter, and commercial projects, with a focus on quick installation, minimal fasteners, and high-quality materials. NWT has over 20 years of experience in the cable management industry, ensuring reliable performance and service support (Index).

Øglænd System

Øglænd System provides a comprehensive range of cable trays, ladders, and accessories for both offshore and onshore projects. Their trays are available in stainless steel, galvanized steel, aluminum, and fiberglass composites (FRP/GRP), making them suitable for harsh marine environments, industrial facilities, and renewable energy projects. Øglænd trays feature slot patterns for efficient cable po...
