

Recommended manufacturers of electrical distribution boxes in Nauru

Article Overview

Top recommended manufacturers in Nauru include Nauru Power Distribution Box Company, HLC Sheet Metal Factory, and Machinesequipments.

Nauru Power Distribution Box Company

This company specializes in a wide range of power and distribution transformers from 160 kVA to 415 MVA and switchgear products from 3.3 kV to 420 kV, suitable for industrial, commercial, and railway applications . They offer customized distribution and control panels, with enclosures made from stainless steel and IP66/IP67 ingress protection, supporting multiple high-voltage cable terminations. They also provide link boxes for cable earthing and testing, making them a versatile supplier for both standard and specialized electrical distribution needs .

HLC Sheet Metal Factory

HLC Sheet Metal Factory provides custom sheet metal fabrication and CNC manufacturing, including stainless steel, aluminum, galvanized, and copper enclosures . They specialize in custom electrical cabinet and enclosure boxes, offering fast sampling (1-3 days) and delivery within 7 days. Their services include laser cutting, forming, welding, and surface treatments, making them ideal for custom or non-standard electrical distribution boxes for industrial, renewable energy, and commercial applications
