

Recommended manufacturers of fireproof cable trays in Southeast Asia

Article Overview

PT Ori Polytec Composites (ORI) is a leading manufacturer of high-quality fireproof fiberglass cable trays in Southeast Asia.

ORITRAY – Indonesia

PT Ori Polytec Composites produces the ORITRAY fiberglass cable tray system, recognized as a market leader in Indonesia and Southeast Asia . ORITRAY trays are made from fiberglass reinforced plastics, offering superior fire retardance, chemical resistance, UV protection, and load-bearing capability. The system includes ladder-type and channel-type trays, designed for industrial and electrical applications, providing mechanical support for cables while ensuring safety in fire-prone environments. ORITRAY emphasizes high-quality raw materials, stringent fabrication standards, and consistent performance, making it ideal for critical infrastructure projects .

Tongyang Electrical Equipment – China (Regional Supply)

Tongyang Electrical Equipment Co., Ltd. specializes in busway and cable tray systems, including fireproof busways suitable for global projects . The company is ISO9001, ISO14001, and ISO45001 certified, offering customized solutions, high reliability, and advanced engineering support. Tongyang's fireproof cable trays are designed for industrial, commercial, and power distribution applications, providing safety, durability, and ease of installation
