

Rwanda Explosion-proof Low-voltage Distribution Box Company

Article Overview

Sagitel Ltd and ELV Technologies Ltd are key Rwandan providers of low-voltage electrical solutions, while international brands like BARTEC, ABB, and R. STAHL supply certified explosion-proof distribution boxes suitable for hazardous areas.

Local Providers in Rwanda

Sagitel Ltd is a leading provider of ICT, security, and low-voltage electrical installations in Rwanda. They specialize in integrated electrical systems, including power distribution solutions, and employ certified engineers to ensure compliance with safety standards. Sagitel serves both public and private sectors in Kigali and offers long-term support and maintenance contracts, making them a reliable partner for projects requiring explosion-proof or hazardous-area electrical solutions (Sagitel Ltd), . ELV Technologies Ltd provides a range of electrical and energy solutions, including UPS systems, electricity management, and low-voltage installations. While their focus is broader, they offer expertise in designing and implementing safe electrical distribution systems suitable for industrial and commercial applications in Rwanda (ELV Technologies Ltd), .

International Suppliers of Explosion-Proof Distribution Boxes

BARTEC offers modular low- and medium-voltage explosion-proof (Ex-e, Ex-d, Ex-p) distribution boards, junction boxes, switchgear, and UPS systems. Their products are designed for hazardous areas and come with full service support, including consulti...
