

South African supplier of compatible SFP high-speed optoelectronic connections

Article Overview

Reliable South African suppliers of compatible high-speed SFP solutions include NEC XON with Smartoptics, Apache Optics, MiRO Distribution for MikroTik, and SimNet.

NEC XON & Smartoptics

NEC XON, a leading African systems integrator, has partnered with Smartoptics to provide locally supported SFP solutions. Their offering includes immediate local stock, 99% OEM compatibility, lifetime warranty, and local service support, making it ideal for data centers, ISPs, and enterprises seeking high-speed optical connectivity with rapid deployment and reduced operational complexity .

Apache Optics

Founded in South Africa in 2013, Apache Optics supplies SFP transceivers and fibre-based products compatible with almost all OEM equipment. They serve telecoms and data sectors both locally and internationally, offering competitive pricing, fast supply chains, and technical expertise. Apache Optics also maintains strong relationships with global manufacturers to ensure high-quality, reliable optical solutions .

MiRO Distribution (MikroTik)

MiRO Distribution provides MikroTik SFP and SFP+ transceivers in South Africa, including modules like the S+85DLC03D (10G SFP+ for multimode fibre) and CLT-S...
