

Standard manufacturers of distribution boxes

Article Overview

Leading manufacturers of distribution boxes include Schneider Electric, ABB, Siemens, Eaton, Legrand, Rockwell Automation, and DOHO, offering certified, customizable solutions for industrial, commercial, and residential applications.

Global Leaders

The distribution box market is dominated by multinational corporations with extensive product portfolios and global distribution networks. Key players include Schneider Electric, ABB, Siemens, Eaton, Legrand, Rockwell Automation, and General Electric. These companies provide solutions for energy distribution, building automation, and industrial applications, often integrating smart technologies and modular designs to meet diverse project requirements .

Regional and Specialized Manufacturers

In addition to global leaders, there are specialized manufacturers catering to niche applications or regional markets. For example, DOHO in China offers both standard and custom power distribution boxes for industries such as solar energy, wind energy, data centers, and new energy vehicles. These manufacturers often provide OEM/ODM services and comply with international standards like UL, CSA, TUV, and CE .
