

Swedish Creative Mobile Power Distribution Box Manufacturer

Article Overview

Sweden hosts several innovative manufacturers of mobile and custom power distribution boxes, including Ahlsell, EK SOLAR, and Gothenburg-based eco-friendly suppliers.

Key Manufacturers and Suppliers

Ahlsell offers a wide range of distribution boxes suitable for construction and industrial use, including portable units with multiple socket types, earthing fault protection, and IP44-rated housings. Their products are designed for durability in Nordic outdoor conditions and emphasize ergonomics, serviceability, and electrical safety, with components sourced from reputable European manufacturers like Eaton and Weidmüller. EK SOLAR, based in Gothenburg, specializes in mobile outdoor power solutions with a focus on eco-friendly designs. Their systems integrate lithium-ion batteries, reducing weight by up to 40% compared to traditional lead-acid units, and are engineered for rugged functionality in Scandinavian environments. EK SOLAR's products serve diverse applications, from adventure tourism to smart construction sites, combining environmental responsibility with high durability. Custom Solutions: Companies like J&HW Group provide tailored power distribution boxes, allowing clients to submit design drafts for rapid prototyping. Their in-house production of components ensures cost efficiency, reduced lead times, and precise customization for specific electrical distribution needs. Other Notable Suppliers: Swedish manufacturers also include Powerbox, EK Power Solutions AB, and DV Power, which focus on advanced AC/DC and DC/DC power supply units, energy storage sys...
