

UAE Industrial Optical Module Manufacturer

Article Overview

Key UAE manufacturers and suppliers of industrial optical modules include LASERON, IRIX Computer Systems, and other local companies listed in UAE optical module directories.

Leading Manufacturers and Suppliers

LASERON is a Dubai-based company specializing in precision optoelectronic solutions for industrial, aerospace, defense, and medical applications. They offer high-power diode solutions, ultra-sensitive detectors, LiDAR and optical communication subsystems, and ruggedized multi-sensor turrets. Their products are engineered for mission-critical performance, with in-house research, prototype development, and scalable production adhering to aerospace and defense specifications . IRIX Computer Systems Trading LLC provides a wide range of fiber optic transceivers and SFP modules, including 1G SFP, 10G SFP+, 25G SFP28, 40G QSFP+, and 100G QSFP28. They supply modules compatible with Cisco, HP, Juniper, and other multi-vendor environments. IRIX supports high-speed connectivity for data centers, campus networks, telecommunications infrastructure, and smart city deployments, offering technical support and compatibility guarantees . TradeFord UAE Optical Module Directory lists multiple UAE-based manufacturers, traders, and suppliers of optical modules. This platform allows global buyers to connect with local producers of high-speed fiber optic modules, network interface modules, and other photonic components, providing a comprehensive overview of the UAE optical module market
