

US Maintenance-Free Cable Tray Manufacturer

Article Overview

Top US manufacturers of maintenance-free cable trays include Atkore's US Tray, MP Husky, Interflex, and several other specialized suppliers offering durable, low-maintenance solutions.

Leading Manufacturers

Atkore – US Tray Atkore's US Tray produces made-to-order cable trays built to NEMA standards and UL certified, including wire basket, I-beam, and C-channel designs. Their Quick Latch™ system allows self-splicing without nuts and bolts, reducing maintenance and installation time. Products are made in the USA and comply with Buy America/Buy American requirements, emphasizing durability and airflow to prevent heat buildup and dust accumulation. **MP Husky** MP Husky is a founding member of the USA Cable Tray Institute and offers a wide range of cable trays including aluminum, galvanized steel, stainless steel, fiberglass, PVC-coated, single rail, and wire mesh trays. Their systems meet or exceed NEMA, UL, CTI, and CSA standards, providing long-lasting, maintenance-free performance across industrial and commercial applications. **Interflex USA** Interflex specializes in wire trays and flexible conduit systems designed for durability and environmental resistance. Their NYLOFIX and MULTIVIA systems offer easy installation, corrosion resistance, and structural integrity, making them suitable for industrial, commercial, and renewable energy applications. **Other Notable US Manufacturers** Additional US-based suppliers include Snake Tray, Chalfant Manufacturing, Creative Composites Group, PUPCO, Eaton, ABB, Southwire, and SILTEC, offering a variety of ladder, perforated, solid-bo...
