

Vanuatu Customized Mesh Cable Tray Manufacturer

Article Overview

Vanuatu has several suppliers and manufacturers of mesh cable trays, including local high-voltage cable tray producers and international suppliers serving the region.

Local Manufacturers and Suppliers

WillisCreek Networks (WCN) is a notable provider in Vanuatu, specializing in high-voltage mesh cable trays and steel support systems. They focus on industries such as offshore oil and gas, mining, and natural gas liquefaction, offering both standard and customized cable tray solutions. Their products are designed for durability, load-bearing capacity, and compliance with industrial standards, including galvanization for corrosion resistance. Ectray supplies mesh cable trays suitable for data centers, smart buildings, and industrial plants. Their trays are fabricated from high-strength steel wire welded into a mesh, providing excellent heat dissipation, rapid installation, and flexibility. They offer various thicknesses (2mm-6mm) and coatings, including pre-galvanized, hot-dipped galvanized, and painted options, allowing customization for different project requirements.

International Suppliers Serving Vanuatu

Several international manufacturers and distributors also supply mesh cable trays to Vanuatu:
