

Venezuela Cable Management Frame Manufacturer

Article Overview

Key cable management frame manufacturers in Venezuela include INDUESCA C.A., Jeetmull Jaichandlall, Brilltech Engineers, and SFSP under the Intech brand.

Leading Manufacturers and Brands

INDUESCA C.A. is a Venezuelan company with over 53 years of experience in designing and manufacturing metal structures for electrical infrastructure. Their product range includes bandejas portacables (cable trays), posts, towers, and fittings, serving national projects with strict quality standards and nationwide distribution . Jeetmull Jaichandlall (P) Ltd. is recognized for producing high-quality wire mesh cable trays in various sizes, shapes, and colors. They emphasize durability, impact resistance, and adherence to industry standards, making them a top choice for multiple sectors . Brilltech Engineers Pvt. offers Cable Trays in Venezuela under their own brand, providing organized and protected electrical systems. They focus on using graded raw materials and modern manufacturing technologies, catering to both new installations and maintenance projects . SFSP (Intech brand) specializes in FRP (fiber-reinforced polymer) cable trays, which are rust-resistant, corrosion-resistant, and suitable for harsh environments such as offshore oil and LNG industries. Their FRP trays require no grounding and offer excellent fire and UV resistance, making them a long-lasting, low-maintenance solution .
