

What are some Israeli outdoor server rack manufacturers

Article Overview

Top recommended manufacturers in Israel for outdoor server racks include Schneider Electric Israel, nVent SCHROFF, and Advice Electronics, offering durable, weather-resistant, and customizable solutions.

Schneider Electric Israel

Schneider Electric provides a wide range of IT, industrial, and outdoor racks suitable for harsh environments. Their outdoor cabinets are available in aluminum and stainless steel, with double-wall insulation to withstand extreme temperatures and vandalism. They offer fully integrated smart racks with power distribution, cooling, locking systems, and environmental monitoring, making them ideal for outdoor server deployments. Their product lines include NetShelter SX, Easy Rack, and GO series, which are designed for both data centers and distributed IT applications .

nVent SCHROFF

nVent SCHROFF specializes in server racks and cabinets with extensive customization options. They provide over 1000 components and accessories to configure racks according to specific requirements, including outdoor and industrial applications. Their solutions are designed to secure and organize equipment efficiently, offering quick delivery and cost-effective pricing for Israeli customers .
