

Where can I buy Sino-European type cable trays

Article Overview

Sino-European cable trays can be sourced from specialized European manufacturers, distributors, and B2B marketplaces offering a wide range of cable management systems.

European Manufacturers and Suppliers

- Eurotray Support Systems – Offers a comprehensive range of cable trays, ladders, and wire mesh trays suitable for low, medium, and high voltage applications. Their products include galvanized, pre-galvanized, hot-dip, aluminum, and electrostatically painted trays, designed for industrial, data center, and food manufacturing installations, with turnkey solutions available for complex projects (Eurotray) .
- Eurostrut – Provides hot-dip galvanized and stainless steel cable trays for indoor and outdoor use. Their systems include distribution trays, cable routes, and NATO-type models, with flexible widths, heights, and configurations for industrial and marine applications. Quotes can be requested directly via their webshop (Eurostrut) .
- Ekabel24 – A German-based supplier offering high-quality cable trays, ladders, and trunking systems compliant with DIN EN 61537 and international standards. They provide hot-dip galvanized steel, stainless steel, and halogen-free plastic trays suitable for contractors, industrial facilities, and research centers (Ekabel24) .

B2B Marketplaces

- Tradewheel.com and B2B Headlines – These platforms connect buyers with global manufacturers of standard and custom cable trays, including galvanized, waterproo...
