

# Where can I find EU cable trays

## Article Overview

Leading sources of cable trays in the EU include manufacturers such as Niedax Group (Germany), Spina Group (Italy), Legrand/Cablofil (France), and Eurotray (Turkey/Germany subsidiary), offering high-quality, standards-compliant solutions.

### Key European Manufacturers

**Niedax Group (Germany):** Offers an extensive range of cable trays, ladders, and support systems suitable for industrial, commercial, and infrastructure projects. Their products are designed for durability and compliance with European standards, serving sectors like construction, energy, and transportation . **Spina Group (Italy):** Specializes in ladder and perforated trays for heavy-duty applications, including shipbuilding and industrial plants. They provide both standard and custom cable tray systems tailored to diverse industrial needs . **Legrand (France):** Known for the Cablofil brand, which features wire mesh trays that are easy to install and adaptable for various applications, including data centers and industrial facilities . **Eurotray (Turkey/Germany):** A steel cable tray manufacturer with production facilities in Turkey and a subsidiary in Germany. They offer a wide range of cable management systems, including trays, mounting supports, and fittings designed for heavy cable loads, vertical applications, and specialized industrial environments .

### Types of Cable Trays

European manufacturers provide a variety of cable tray types to meet different project requirements:...
