

Which company makes the best integrated aluminum alloy cable trays

Article Overview

Top manufacturers of aluminum alloy cable trays include MP Husky, Snake Tray, Atkore, and US Tray, known for high-quality, corrosion-resistant, and UL/CSA/NEMA-certified products.

Leading Manufacturers

MP Husky produces aluminum cable trays that are CSA and UL certified, lightweight, and easier to install than steel alternatives, making them suitable for industrial and commercial applications . Their trays meet NEMA standards and offer excellent durability and thermal performance . Snake Tray specializes in aluminum and steel cable trays, providing innovative solutions for data centers, solar installations, and transit projects. Their products are designed for cost-effective cable management and timely availability across the US . Atkore International is a global leader in cable management systems, offering a wide range of aluminum alloy trays that are durable, corrosion-resistant, and suitable for indoor and outdoor installations . US Tray manufactures made-to-order aluminum cable trays, including C-Channel Swage and Eagle Basket systems, emphasizing customization, compliance with Buy America standards, and strong customer support .

Advantages of Aluminum Alloy Cable Trays

- Lightweight and High Strength: Easier installation and reduced structural reinforcement costs
