

Which company offers professional fireproof cable trays

Article Overview

Flamro, Meka Pro, CharCoat, Hermi Solutions, and Thermocable provide professional fire-resistant cable trays and related fire protection systems.

Flamro

Flamro offers fire protection solutions for cables and cable trays, including FLAMMOTECT-A coatings and DG-CR 0.7 fire protection tapes. Their products are designed to prevent flame propagation and maintain the functional integrity of cables during a fire. Flamro solutions are suitable for high-rise buildings, industrial facilities, hospitals, airports, power stations, and nuclear facilities, and they provide resistance to environmental factors like UV, moisture, and chemicals (Flamro) .

Meka Pro

Meka Pro specializes in fire-resistant cable support systems that are extensively tested according to EN 1363-1 standards. They offer over 1,200 fire-tested products ensuring that electrical supply remains operational during a fire. Their systems are designed to withstand load without collapsing, avoid toxic fumes, and comply with international safety standards. Meka Pro emphasizes installation by qualified personnel to ensure safety and compliance (Meka Pro) .
