

Which company sells electrical distribution boxes for construction sites in Portugal

Article Overview

Several companies in Portugal supply electrical distribution boxes suitable for construction sites, including EFAPEL, ETEK Electric, Cyberall Group, Globlec, ELECTRÃO, and Könnner & Söhnen.

Key Suppliers

EFAPEL - Based in Serpins, Coimbra, EFAPEL manufactures low-voltage electrical solutions including distribution boards, modular equipment, and weatherproof enclosures suitable for industrial and construction applications, with a focus on safety and easy installation . ETEK Electric - Offers a wide range of distribution boxes in plastic and metal, including panels with integrated circuit breakers, RCDs, and RCBOs. Their products are designed for energy distribution systems in construction and industrial sites . Cyberall Group - Distributor of electrical distribution, industrial control, and automation equipment from leading brands like Schneider Electric, Eaton, Siemens, and ABB. They provide delivery across Portugal, including major cities such as Lisbon, Porto, and Coimbra . Globlec - A national distributor of electrical materials, serving construction projects throughout Greater Lisbon. They stock a variety of distribution boxes and related electrical installation products from both national and international manufacturers . ELECTRÃO - Offers low-voltage electrical materials, including distribution boards, counter boxes, and modular enclosures. They cater to both residential and commercial construction projects across Portugal . Kön...
